NB: This second-choice sword is only authorized for brand new students who cannot afford the Arms and Armor sword listed on number (6.) above. Please understand that you will be expected to procure the official school practice sword from Arms and Armor as soon as you can afford to do so because it is significantly higher in quality and better suited to what we do.

Please do not purchase any other equipment for class unless you discuss it with the Fechtmeister first. You are free to purchase some of this equipment from other suppliers if you prefer, as long as the item is essentially identical to that shown here. It must be clearly understood, however, that only this equipment is authorized for use in our classes.
